## Norwegian candidate for the European Committee WAGGGS

Dear Nordic friends,

On behalf of the Guides and Scouts of Norway we are delighted to present Ms Eline Marie Grøholt, International Commissioner and member of WAGGGS Europe's Core Group on External Relations and Communications, as our nominated candidate for the European Committee WAGGGS 2016.

Norway has not had a member of the European Committee in WAGGGS in many years. We sincerely hope that our Nordic scout and guides friends can accept our well-qualified candidate. Our candidate is strongly motivated and has a firm commitment to scouting as well as a long track record of international and national scouting and guiding experience.

Furthermore:

- As a Norwegian scouting and guiding association we feel a strong international commitment to international scouting and guiding in general and WAGGGS in particular. Our candidate Ms Eline Grøholt has extensive and relevant international experience and knowledge, not merely as an International Commissioner and workgroup member of the WAGGGS Core Group on External Relations and Communications, but also through her university studies; a bachelor degree's in international relations and long stays abroad in Russia and currently in France where she studies for a second bachelor's degree in Business and Economics. Thus, Ms Grøholt has gained extensive knowledge of the different parts of Europe and European relations which make her candidacy for the European committee even stronger.
- In Norway Ms Grøholt is a member of the national board of The YWCA-YMCA Guides and Scouts of Norway, in which she has served for four years. She was also part of the Planning Team for the World Scout Jamboree 2011 in Sweden, working within the IST section.
- MS Grøholt's personal qualifications can in short be summarised as very reliable, analytic and strategic, very good communication and leadership skills and the ability to make others feel very well in her company. We believe that with her experience and skills she will make an excellent member of the European Committee WAGGGS and a very positive contribution to WAGGGS.

We kindly ask for your National Scout and Guide Organisations support of Ms Grøholt's candidacy and we hope for your confirmation.

Should you have any questions or comments, please do not hesitate to get in touch with me.

We look forward to receive your responses!

Yours in Scouting,

Heidi Furustøl
