

Workshop info

We will offer a variety of workshops during the Nordic Scout Conference. When you registered we asked you to sign up according to your field of interest. This however does not mean that you cannot join the sessions from the other fields/lines. All workshops will be in English but we are sure you find someone to assist you with translation if needed.

Program line

The program line is designed for the people working in the field of youth program. We have five sessions and one is jointly with the training line.

Inclusion and Diversity (room: Rýma A)

Part of the WOSM Triennial Plan. Interesting to hear how it goes in the other countries. Kasper is the chairman of Core Group Europe for Diversity and inclusion. The status update. Talk about how you can implement this in different countries. Concrete solutions that can be taken home and implemented.

NOPOLK (room: Kaldalon)

We will have a look back into the history and development of NOPOLK as a meeting for people working in the field of program and training. How can the event develop to make it more relevant and interesting to the future.

Best practice from Faroe Islands (room: Rýma A)

Scouts in the Faroe Islands was the challenge that had grown to a point where there was need to strengthen and organization of operations and development, to create further growth. We needed to create a solid and reliable picture of the country work, all of our members can lean on. As well as gathering their forces and strengthen the community in the organization. Only by achieving this, we drive all the same way, on the road to better times. We will in this workshop, to share our experience with what has happened and what we have got out of it. Also, we will mention the biggest challenges we faced.

Free being me (room: Rýma A)

In 2012 WAGGGS introduced a new program to increase confidence and believe in oneself.

Safe from Harm (room: Rýma A)

In 2012, WOSM launched a new program to keep scout secure in scouting. Iceland has made concrete efforts on this and will share their experiences.

Training line

The training line is designed for the people working in the field of training and adult resources. We have five sessions and one is jointly with the program line.

Global Support and Global Support Assessment Tool (room: Rýma B)

The workshop illustrate the WOSM Global Support Assessment Tool (GSAT). GSAT assesses the compliance of a NSO at national level with best practices in good governance and Scouting. It provides a common cross-regional assessment, measures capacity and progress in NSO to NGO's best practices, supports the NSO to address their capacity issues and priorities, promotes synergies between NSO's and provides input for further support of strategies of WOSM.

Nopolk 2.0 (room: Kaldalón)

We will have a look back into the history and development of NOPOLK as a meeting for people working in the field of program and training. How can the event develop to make it more relevant and interesting to the future.

Wood badge (room: Rýma B)

Presentation of the experiences from the Nordic 4 beads wood badge course.

Gender leadership (room: Rýma B)

The workshop will give opportunity to discuss a concrete proposal regarding a joint Nordic collaboration on gender, together with WAGGGS Europe, including the Nordbuk funding secured for this purpose. We will also use time for discussing how we are implementing the triennial strategy on Gendered Leadership in our countries, share our experience and ideas and WAGGGS Europe will present the current work on gender.

Flexible leader training for adults in scouting (room: Rýma B)

More flexible, modular- and competency-based Leader

Training for Adults could be an important tool to strengthen the quality of scouting for young people and increase the number of practicing scouts in our countries.

Organizational development line

The Organizational development line is designed for the people who are member of board, staff members of the association or working in strategy development.

Strategy from paper to action (room: Vísa)

An introduction is given to the various countries' strategy process and implementation in practice. How do you ensure that the strategy is relevant to young scouts nationally but also linked to the international strategies of WOSM / WAGGGS

Quality Assurance of local level (room: Vísa)

We can make the most amazing scouting but how we ensure it is used with the scouts in the groups.

Promise and Law, Duty-to-God review (room: Vísa)

Iceland gives an overview of the process of changing the scout promise.

Membership Growth (room: Vísa)

When are you scout enough to count as a member of a corps / a world organization? The workshop will share current practice and ideas at the Nordic level, which can contribute to the work of membership in WAGGGS / WOSM - including how world organizations can support the Nordic region in membership issues.

International Relations line

The international relation line is designed for people working on international committee and international secretariats. As well as those who are member of different groups within WOSM and WAGGGS. One session is jointly with Events and Youth lines
