

Dear IC

Attached you will find an invitation to the course “Forandringsagenter”, which will take place in Denmark from the 19th to the 22nd of March 2020.

The main goals of the course are to initiate a network between young Nordic scouts (aged 16-25) and to figure out how we can strengthen Nordic scouting together. The course will revolve around 3 main themes: International inspiration, democratic influence, and scouting politics. During the course the participants will find a personal project, which they will have to continue working on at home. To support this, the course will be followed by 3 months mentoring arrangement. It is up to the participant him-/herself and his or hers scout association to find a suitable mentor. The participants will get more information regarding the project and finding a mentor after the registration deadline.

We hope you have some young scouts with the courage and ambition to participate in the course. You can find more information on the course in the invitation.

Some practical informations:

- Link for the registration: [Coming soon.] Please note that the participant’s scout association will be charged the course fee (also by late cancellations) and that you therefore, as IC, must approve the participants coming from your own association. Each country can send a maximum of 2 participants per WAGGGS-/WOSM-recognized association, however, if there is only one such association in your country, you can send a maximum of 4 participants.
- The course fee poses a maximum of DKK 1,850.00 (approx. EUR 250.00), which covers all course-related activity from starting point to ending point (Copenhagen Airport). The participants are responsible for their own transportation between their place of residence and Copenhagen Airport. Therefore, we will send out a list with the participants’ contact information around a month before the course so that they may coordinate their transportation. If they are in need of economic support you might refer them to the Erasmus+ Fund: <https://ec.europa.eu/programmes/erasmus-plus/>. If we get external funding, the course fee will be lowered.
- If you have any questions regarding the course, you are welcome to contact team leader Adele Skøttegaard at adele.dybkjaer@gmail.com.

Best regards

Your team
