

Welcome to Go Global 2022

Welcome to engage yourself within international Guiding and Scouting.

Go Global 2022 is an event that aims to create a wide Nordic network among young guides and scouts who are interested in the internationality of the movement, sharing best practices and promoting international cooperation & engagement.

During a weekend you will extend your knowledge about WAGGGS, WOSM and of the current themes in the work of the Nordic associations and relevant issues of the society.

Each country is expected to host a workshop on the topic of their choice, which they feel could be useful in the context of the event. More information on this will be shared later.
